Profile

I'm an energetic, enthusiastic and self-motivated graphic designer in many aspects of design, with a good eye for detail. I have high knowledge and experience in Adobe programs including Photoshop, Illustrator, InDesign and Dreamweaver. I am very passionate about advertisement design, brand identity creation, web design and overall creation of visuals in many different aspects. I am a team player and always diligent when it comes to my designs, job, and life and utilize my ability to multi-task and work with deadlines. I am always continuing to strive in my field and further my skills in learning and creative content.

Design Experience
